†Xtreme Mobility: A monthly plane fee of \$19.99 a month if you have GCI cable modem service and \$49.99 if you don't.

†Voice and Data Package required for contract discount on equipment. ‡ Add unlimited text messaging for only \$5.99 per month.

© 2008 GCI – Specifications and prices subject to change. Customer required to add a GSM Cellular voice package and data package in order to receive discounts on Handsets. If a voice package is not selected, customer will automatically receive a "No Minutes" plan which has no monthly fee, and will be charged full retail price on equipment. Without a text package additional charges will apply at \$0.10 per text message (incoming & outgoing). Program requirements may apply for promotions.
