

Switching to GCI wireless is easy! Let's get started.

- 1** Ready for a new phone? Choose from the latest smartphones at the best prices.

[See Devices](#) Notes: _____

- 2** Bringing over your current phone?

- a. If your phone is locked to your current provider's network, visit their website to learn how to unlock it.

[AT&T's website](#)

[Verizon's website](#)

- b. Carrier unlocked phones are ready for GCI wireless.

- 3** Still have payments on your phone or tablet? We'll buy them out up to \$400 per device! Ask us for details.

Want to keep your phone number? No problem! Once you've provided the following information we'll take care of the rest:

- 4**
- a. Current phone number(s) _____
- b. Account number (find this online or at the top-right corner of your printed invoice) _____
- c. PIN code or password on the account _____
- d. Billing ZIP code _____

Reminder: Do not cancel wireless service with your current provider until your new GCI service is activated.

- 5** Contact us to make the switch.

- a. Want to visit us in person? [Find your local, neighborhood store.](#)
- b. Prefer to have your new phones or sim card mailed to you?
Then call our local customer support at 1-800-800-4800.
- c. [Use our plan builder to get a head start on building your perfect plan.](#)

We'll walk you through this transition, make sure you're getting our best prices, and any qualifying discounts. Plus, make sure you're signed up to earn Alaska Airlines miles.
