

# Externship Program

## 2017 Program Dates: May 31 - June 9, 2017

*Do you want to learn about the latest in telecommunications and IT, and be able to bring that knowledge back to your students?*

GCI's Externship Program is designed to give educators and administrators **exclusive insight** into the day-to-day work and responsibilities of today's telecom, IT, and business career tracks. This **two-week program** will allow participants to observe work activities, provide **hands-on demonstrations**; discuss jobs and requirements; and ask many questions. Our hope is for you to instill in your students the knowledge and enthusiasm you gain from this program to help plant the seed for a stronger technology workforce in Alaska.

## How to Apply

Applications can be found at [www.gci.com/careers](http://www.gci.com/careers). Participants will be required to complete a GCI application form online and pass a background check.

## Frequently Asked Questions
