This notice contains an explanation of certain aspects of your cable television service, including our rates and channel lineup, as required by the FCC. Your service is governed by the current version of the applicable Cable TV Terms & Conditions (“Terms”), which are periodically updated, and are available at www.gci.com/about/terms-and-conditions. If there is any conflict between this information and the Terms, the Terms control.

1. COMPLAINT RESOLUTION PROCEDURE

In compliance with the FCC “Complaint Resolution Procedure” notification requirement, we are pleased to provide you with the following procedures to help us resolve any billing or cable signal problems as quickly as possible. We urge you to call or write us anytime with questions or concerns about your bill, service, equipment hook-up, or any other aspect of the cable television service that we take pride in providing you.

- a.** Any time you have a problem with your billing invoice or cable reception, please contact a GCI Customer Service Representative (“CSR”) at a local GCI Store, via email at rcs@gci.com, via online chat at www.gci.com, or by phone at 265-5400 (Anchorage) or 800-800-4800 (statewide).
- b.** When GCI receives calls about service during normal business hours, a GCI representative will attempt to resolve the problem over the phone. If the problem cannot be resolved, the representative will schedule a service technician to visit the home as soon as possible.
- c.** Emergencies that affect signal quality such as fallen utility poles, violent storms, or very cold weather may interfere with reception of cable service. We are committed to having one of our crews promptly correct an emergency situation.
- d.** GCI maintains complaint records for at least one year. In addition, these records will be available for inspection by the FCC or the Regulatory Commission of Alaska (Attn: Consumer Protection Section, 701 West 8th Ave., Suite 300, Anchorage, AK, 99501).
- e.** You may also contact the local franchise authority, the Regulatory Commission of Alaska: 701 West 8th Ave., Suite 300, Anchorage, AK, 99501; 907-276-6222 (Anchorage) or 800-390-2782 (statewide).
- f.** THIS DESCRIPTION OF OUR COMPLAINT RESOLUTION PROCEDURE DOES NOT LIMIT OR MODIFY YOUR AGREEMENT TO ARBITRATE ALL DISPUTES WITH GCI PURSUANT TO THE APPLICABLE CABLE TV TERMS AND CONDITIONS.

4. WHEN THE SUN GETS IN THE WAY

Sometimes the satellites from which we receive much of our programming end up directly between the earth and the sun.

3. INSTALLATION POLICIES

a. When adding new cable service or additional cable television hook-ups to your home, we will attempt to set an installation appointment within seven business days of your request of service or your installation charges may be waived. We will attempt to schedule your appointment in a window no larger than four hours, unless you request otherwise.

b. Upon arriving at your home for an installation or service appointment, GCI representatives will properly identify themselves by using their first and last name and the reason for the visit. We require the individual(s) responsible for the Service account to sign for any equipment and facilities we install or lease to you (“Company Equipment”) required in your home. Someone over 18 years of age must be home during the installation of your Service.

c. Billing Questions

Should you have any questions regarding your bill, please bring it to our attention within 30 days so that we can review it. You must pay all amounts not in question by the due date listed in your bill to keep your account current.

b. Payment Options

GCI offers you a number of payment options: You may mail your payment to the address listed on your bill. Our customer service centers offer drop boxes and payment in person by: cash, check, most major credit cards, or bank debit card. You may also arrange to have your monthly cable charges billed automatically to your credit card, or you may pay your bill online using GCI’s eBill or other similar option.

5. PROGRAMMING EXPIRATIONS

This usually occurs during the first weeks of March and October. When this happens, the energy of the sun can overpower the satellite signals for several minutes at a time, resulting in an interruption with your television picture. This disruption generally does not last longer than about 10 minutes a day during this limited “sun outage” period. You understand that we provide all Service on an “AS IS” and “AS AVAILABLE” basis.

6. CONSUMER GUIDE TO CABLE TV AND HOME ENTERTAINMENT EQUIPMENT

GCI is happy to bring Alaskans the best TV programming available. Most of this programming is subject to agreements with the content owners who provide it to us. These agreements expire from time to time, and sometimes we are unable to continue them. In such cases, we could lose access to some programming now being carried. Please go to www.gci.com/tv/contract-renewal for more details. Additional information about any upcoming channel changes can be found at www.gci.com/tv/upcoming-channel-changes.

a. Set-Top Boxes

Now that GCI delivers all of the programming in a digitized format, a set-top box or a CableCARD is required. Without a set-top box or CableCARD, you may be unable to view channels delivered via the cable system. GCI will provide you with a set-top box or a CableCARD for a monthly rental fee. We lease CableCARDS for use in customer-owned retail CableCARD-ready devices. You may contact us to request professional installation of a CableCARD in such devices or request that we provide a CableCARD to you for self-installation. Many of our leased set-top boxes also include CableCARDS inside, and the same portion of our lease rates for those devices is attributed to the CableCARD. Please note that retail devices that use CableCARDS may not be able to access our advanced interactive digital cable services, such as Video-On-Demand, Pay-Per-View, the programming guide, and other interactive services. In the event that your device cannot access these interactive services and you wish to access them, you may lease a set-top box that you may use in conjunction with your CableCARD device. From time to time, we may offer bundled packages that include one or more set-top box leases with the base package price. A customer that purchases such

Rights Under the Cable Act

Please call or write us anytime you have question about your service, equipment hook-up, or any other aspect of the cable television service that we proudly provide. If you believe you have been aggrieved as a result of a violation of the Cable Act’s requirements regarding the collection, disclosure, and retention of personally identifiable information, your rights are also enforceable through a civil action seeking damages, attorney’s fees, and litigation costs in addition to other rights and remedies that may be available under federal or other applicable laws. THIS STATEMENT OF YOUR RIGHTS UNDER THE CABLE ACT DOES NOT LIMIT OR MODIFY YOUR AGREEMENT TO RESOLVE ALL DISPUTES WITH GCI PURSUANT TO PARAGRAPH 14 OF THE GCI RESIDENTIAL CABLE TV TERMS AND CONDITIONS.

Disclosure Required by Law

We may disclose personally identifiable information without your consent if we are required to do so by law. For example, a governmental entity may seek through valid legal process (such as warrants, court orders, or subpoenas) to obtain personally identifiable information from the cable system concerning you as a cable subscriber. However, we will disclose records revealing your viewing habits only if (1) served with a court order indicating the governmental entity has made a clear and convincing showing of relevance to criminal activity and (2) you have been given an opportunity to contest the order. If we are served with a court order requiring such disclosure to a non-governmental entity, we will inform you before any information is released.

Mailing Lists

We are permitted to disclose personally identifiable information to the extent necessary to conduct our business. In addition, the law allows us to disclose your name and address for non-cable service-related mailing lists or other purposes, unless you advise us in writing that you do not wish us to disclose it. However, such disclosures of names and addresses may not include the extent of viewing or other use you make of any service we provide, nor may it disclose the nature of any transaction you make over a two-way system. If you do not wish to have your name and address disclosed, please contact us by talking to a GCI Customer Service Representative at a local GCI Store, via email at rcs@gci.com, or by phone at 265-5400 (Anchorage) or 800-800-4800 (statewide).

a reasonable period of time to locate and, if necessary, prepare the information for review. (Preparation is sometimes necessary to avoid disclosure of information relating to other subscribers.) If you wish to review your personal information, please contact us to set up an appointment during regular business hours. You may request a correction of any errors in personal information that we collect or maintain pertaining to you.

Disclosure Required by Law
Under the Cable Act, we may disclose personally identifiable information without your consent if it is (1) necessary to render service or conduct a related legitimate business activity, (2) required by law, or (3) disclosed as a mailing list (as described below). Unless otherwise noted below, all the personally identifiable information that we collect is used for the business purpose of offering, marketing, rendering, and supporting our services to you. Some persons have access to such information when necessary in connection with our business. People who require access from time to time include our employees; our affiliates; our sales agents; our vendors or contractors that provide services or components to the cable system (such as our installers, accountants, billing and collection service, and consumer and market research firms); our program and program guide providers where applicable; our programmers and broadcasters that will periodically audit subscription information; our equipment suppliers; and representatives of the franchising authority. If we enter into a merger, sale, transfer, or any other reorganization of some or all of our assets, your personally identifiable information may be transferred as part of that transaction. This cable system will not maintain such information after it is no longer necessary for carrying on our business, including record-keeping for tax and accounting purposes. As a subscriber, you may review any personal information held by us that pertains to you if you give us

b. Compatible Remote Controls

GCI’s set-top boxes work in conjunction with some remote controls available for purchase at retail stores. **Examples of compatible remotes include UEI Atlas and UEI Pulse (for non-TiVo set-top boxes) and any TiVo remote (for TiVo set-top boxes).** These remotes may be used in place of the ones we provide with your set-top box.

c. Additional Equipment/Recording a Second Channel

The set-top box “converts” all cable channels to channel 3 so you can only receive one channel at a time through the set-top box. This means that there may be certain features of your TV and VCR that you will not be able to use without additional equipment. For instance, you may have trouble taping one program while watching another or using the picture-in-picture feature. Should you wish to use the features noted above, GCI may provide you with supplemental equipment, such as a splitter, for a nominal charge. If you prefer, you may purchase supplemental equipment at retail outlets.

d. Additional Details

Please visit our website at www.gci.com for additional details pertaining to these operational matters. Alternatively, visit a GCI Store, chat with a CSR online at www.gci.com, or call our office to speak with a CSR. If you have any questions regarding your cable TV equipment set-up or to request a copy of applicable equipment compatibility information.

For more information about your privacy, please see GCI’s Privacy Policy, which can be found at www.gci.com/privacy-policy. We also need and use this information for our own tax and account records.
