The promotional credit is applied before any taxes, monthly recurring charges associated with long distance service, non-recurring fees and any calling plan fees. The promotional credit is in addition to any discounts the customer receives on their respective plans and exclusive of any other promotion. Long distance charges billed by the Company on behalf of other long distance carriers or passed-through to other long distance carriers will not be included in the calculation of promotion credits.

A customer who has ordered a term of service commitment but who discontinues service before expiration of the agreed upon term must pay back all credits as a termination liability.

The customer may discontinue a term of service commitment prior to the expiration of the applicable term without liability when notice of cancellation is received before the due date of the order for the term of service commitment. Discontinuance of service occurs when a customer is terminated by GCICC for nonpayment or when a customer notifies GCI that it wished to stop service and does not wish it to be transferred to another main billed account.

This promotion cannot be combined with other promotions, except the promotions listed in paragraph one, unless such a combination is permitted in that promotional tariff.
