

## G. BUSINESS SAVINGS PLAN

The minimum payment period is one month. Customers may select the Business Savings in lieu of the Dial Station Basic rates in 3.1.4 and, for Option B Customers, Calling Card Basic rates in 3.1.14 and 3.1.15 and 800 Service rates in Section 3.1.12. Unless otherwise specified, only one calling plan is allowed per main billed account.

### (1) Option A

#### Description:

Rates from Alaska to Lower 48, Hawaii and U.S. Territories. Apply Time of Day Discount Schedule A, Section 3.1.2. Dial Station calls are rated using the table below. Calling Card calls are rated using the rate tables and surcharges in Sections 3.1.14 and 3.1.15. At the end of a billing period, a discount level is determined based on the Customer's Dial Station and Calling Card usage charges and surcharges. The appropriate discount percentage is then applied to the Dial Station and Calling Card usage charges and surcharges.

**(1) Option A (CONT.)**

**Discontinuance:**

A customer who has ordered a term of service commitment before March 21, 1998 but who discontinues service before expiration of the agreed upon term is subject to a one-time termination liability charge as follows:

Termination Liability = One full month's interstate Dial Station and Calling Card charges based on  
portion of the the average monthly interstate billing during the completed  
term.

A customer who has ordered a term of service commitment on or after March 21, 1998 but who discontinues service before expiration of the agreed upon term may be subject to a one-time termination liability charge as follows: The customer will be billed an amount equal to all the credits that the customer has received that are associated with the customer's current term of service commitment.

The customer may discontinue a term of service commitment prior to the expiration of the applicable term without liability when notice of cancellation is received before the due date of the order of the term of service commitment.

Discontinuance of service occurs when a customer is terminated by GCICC for nonpayment or when the customer notifies GCICC that it wishes to stop service and does not wish to be transferred to another main billed account.

**Area Code Optimizer:**

A Customer who selects the Business Savings calling plan may elect to pay a monthly recurring charge in exchange for discounts on Dial Station and Calling Card Calls to selected area codes as described below.

Monthly Recurring Charge	\$5.00 per area code
Area Code Discount	5%

A Customer may select one or more area codes. The area code discount will be applied to the Customers Dial Station and Calling Card usage charges and surcharges for calls to the selected area code(s). The area code discounts will be applied to eligible calls prior to the calculations of the Monthly Usage charges and Volume Discounts above. The Area Code Optimizer may be used in conjunction with the Region Optimizer described below, but calls to any chosen area code or region will receive only one optimizer discount.

**Region Optimizer**

A Customer who selects the Business Savings calling plan may elect to pay a monthly recurring charge in exchange for discounts on Dial Station and Calling Card Calls to selected Regions as described below.
