6.12 Directory Assistance Database Service

	<u>Per Listing Rate</u>
Initial Directory Assistance Database Listings	\$0.04
Daily Updates to Directory Assistance Database Listings	\$0.06

6.13 Line Extension Charges

\$1,250 allowance

For each occupied home passed by the new facility
(i.e. if Mr. Smith lives in an area with 5 occupied homes his quote would consist of a gross price of \$x,xxx. The Company would credit the total price an allowance of \$6,250 (5 x \$1,250))

6.14 Underground Locate Service

When an operator has field marked an underground facility once at the request of an excavator, the operator has the right to receive compensation from the excavator for costs incurred in responding to subsequent requests to locate the same underground facility during the same excavation project if the excavator failed to maintain the original marking.

Unless the request to locate is made in response to an emergency, an underground facility operator has the right to receive compensation for costs incurred in responding to a request to locate that gives the operator less notice than the minimum notice required by this section. This subsection may not be interpreted to require the operator to respond to the request to locate within the time requested in the notice.

The excavator will be notified before locate as to what the charges will be.
