

## **Double Data Discount, Company-Provided Installation Charges Waiver**

Beginning on December 20, 2001, and ending on February 28, 2002, and beginning on March 26, 2002 and ending on July 31, 2002 and beginning on September 1, 2002 and ending on October 31, 2002, new or renewing Private Line and/or Frame Relay Business Customers, who subscribe to Company provided services for Interstate data communications service under this Tariff, FCC No. 2, may enroll in this Promotion, by completing and returning an enrollment form provided by the Company, or by requesting enrollment during the Business Customer's contact with a Company customer service or marketing representative.

Under this Promotion, the Company waives all service installation charges associated with new Company-provided Private Line and/or Frame Relay service, which has a minimum term of service commitment of one year. Installation charges will include those associated with LEC provided special access circuits where applicable. The total installation charge waiver is limited to a maximum of the monthly recurring charges associated with the Company-provided Private Line or Frame Relay service receiving the benefit.

**EFFECTIVE: September 1, 2002**
