

Friends & Family Program

The Friends & Family Program is available to customers who have not selected a calling plan described in Section 6.1 of this tariff. The Friends & Family Program permits a customer or Subscriber to form a Calling Circle as described in Section A of this tariff. Once a Calling Circle is established, the following calls billed to a Subscriber's account qualify for Friends & Family discounts:

direct-dialed calls from the Subscriber to the telephone number of a Member of his or her Calling circle or his or her designated international telephone number(s); and calls made using a Company calling card owned by the Subscriber to the telephone number of a Member of his or her Calling Circle or his or her designated international telephone number(s).

A 20 percent discount (Friends & Family Discount) will be applied against all gross qualified international call usage and surcharges.

Directory Assistance and any monthly recurring charges are not discounted under the program.

Customers who select the Friends & Family Program are automatically included in the Friends & Family Program in every jurisdiction.
