

## **GCI Miles Ahead**

No longer available to Business new enrollment effective 8/01/2011

Residential and Business customers may select the Company's Miles Ahead Plan for interstate Dial Station and GCI Calling Card calls in lieu of Dial Station and Calling Card Basic rates. Unless otherwise specified, only one calling plan is allowed per main billed account. This Plan does not include 800 Calls, Operator Service and Directory Assistance calls.

### **1. Specific Rates:**

All times of the day, per minute, rates are as follows:

- (1) Dial Station: \$.07
- (2) Calling Card \$.30

Service Charges:

A \$.30 surcharge per call applies to all calling card calls.

Monthly recurring fee: \$24.99

The monthly recurring fee will be prorated for any partial months of service by dividing \$24.99 by the number of days in the billing cycle, and multiplying that by the number of days the customer used the service.

### **2. Plan Requirements:**

Customers must:

- Have all of their local wireline service through the Company, when available.
- Be subscribed to the Company as its primary interexchange carrier.
- Select the 2 Cents per Minute Calling Plan for Intrastate calling, described in Section 4.2.46 of GCI'S Tariff RCA No. 419.
- Have a current Alaska Airlines Mileage "AAMN" Plan number.
- Provide current AAMN to Company.

(A customer, who selects this plan, but is without an AAMN, or doesn't provide the Company the AAMN will receive all other benefits of this plan. But will not accrue or receive the benefit miles.)

Customers must also note the following conditions:

No more than one AAMN per account.

Customer can only change the AAMN on the account once a month.

(This does not exclude a customer who provided an inaccurate or incomplete AAMN number from providing an accurate number in the same month it was determined the AAMN provided was inaccurate.)

Mileage will be awarded once a month to the AAMN on record. Splitting miles between accounts is not allowed.

Customer are responsible for notifying GCI that miles haven't posted to the Alaska Airlines Account and the notification must happen within one year of the activity date.

### **3. Benefits:**

- Customers receive 500 minutes of Interstate Dial Station, or Canada Dial Station, calling per month in their Plan Fee.
  - Additional Interstate Dial Station minutes are rated at \$0.07 per minute.
  - Additional Canada Dial Station minutes are rated at \$0.10 per minute.
- Automatically eligible to receive two (2) Alaska Airlines Mileage Plan miles for every dollar spent on the monthly recurring fee, Interstate Dial Station, 800 Service, and Calling Card calls.

A customer, who selects this plan, but is without an AAMN, or doesn't provide the Company the AAMN will receive all other benefits of this plan, but will not accrue or receive the benefit miles.

Miles are not awarded on fees, not including the monthly recurring fee, taxes, non-GCI surcharges, USF, and pass throughs.
