

Interstate Switched Wholesale Service

Statewide per Minute Rates:

No Term - \$0.135

1 Year Term - \$0.130

2 Year Term - \$0.125

3 Year Term - \$0.120

- Access payment and reporting not included in rate
- Plan requires customer to have a switch in Anchorage to interconnect with the GCI ADC 5ESS toll switch
- Plan requires customer to purchase their own trunks to the GCI ADC 5ESS toll switch

Eligibility:

- To be eligible for these rates, the customer must be an appropriate certified in-state message toll service and/or private line provider and the customer must have a digital connection to a Company switch. The Company switch is located in Anchorage. If the customer elects not to have a digital connection to a Company switch, retail rates are available.
- Must be subscribed to the Switched Wholesale Service Schedule of Charges rates listed in section 6.2.2 of GCI's Intrastate tariff, RCA No. 419

EFFECTIVE: July 24, 2012
