

Large Customer Discount Program

Business Customers, who meet the eligibility below, may select this Plan in lieu of the Dial Station, Toll Free and Calling Card Basic rates. Customer may enroll in this Plan by completing and returning and enrollment form provided by the Company, or by requesting enrollment during the customer's contact with a Company customer service or marketing representative. Unless otherwise specified, only one calling plan is allowed per main billed account. This plan includes Dial Station calls, Toll Free and Calling Card calls. The minimum payment period is one month.

Eligibility

- * Customers must subscribe to Company, as its primary interexchange carrier and select the Large Customer Discount Program for their Intrastate-calling plan.
- * Customer must subscribe to Company as its international carrier.
- * Customers must subscribe to Company provided local wireline services, where local service is available.
- * Customers must have a minimum of one-year term commitment agreement.
- * A T-1 connection in at least one location per business customer. (Calls are transported from the Business Customer location on a T-1 connection directly to the nearest Company switching facility.) A customer with multiple locations not served by a T-1 is still eligible for this plan rate, as long as at least one location has a T-1 connection.
- * Customers are responsible for the installation cost and monthly charges of any T1 connection to the nearest GCI switching facility.

Specific Rate

\$.04 per minute

Minimum Monthly Commitment

\$25,000 **

** A customer whose total long distance usage falls below the \$25,000 monthly requirement will be charged the full \$25,000.

Effective Date: January 1, 2008
