

T-1 Term Discount Promotion

Beginning on March 27, 2002, and ending on May 31, 2002 new or renewing Private Line Customers, who subscribe to Company provided services for T-1 Interstate data communications service between Anchorage and Seattle under this Tariff, FCC No. 2, may enroll in this Promotion, by completing and returning an enrollment form provided by the Company, or by requesting enrollment during the Business Customer's contact with a Company customer service or marketing representative.

Under this Promotion, the Company will waive all service installation charges associated with new Company-provided Private Line service for customers who sign a minimum term of service commitment of one year. Outlined below, the Company also offers special term prices for one, two, and three-year terms of service. Installation charges will include those associated with LEC provided special access circuits where applicable. The total maximum installation charge waiver is limited to one-month recurring charges associated with the Company-provided Private Line service.
